PROFESSIONAL SUMMARY

As a final year Computer Science engineering student, I am passionate about creating innovative web solutions and leveraging cloud computing technologies to drive efficiency and performance. With a strong foundation in HTML, CSS, JavaScript, and proficiency in data structures and algorithms using C++, I am committed to continuous learning and development in cloud computing, particularly within Google Cloud Platform(GCP), and I am actively working on expanding my expertise into Amazon Web Services (AWS).

EDUCATION

| | |
|---|-----------|
| Nutan college of Engineering and Research | 2020-2024 |
| B.Tech in Computer Science and Engineering with CGPA 8.42/10 | |
| Bal Niketan Gandhi Seva Sadan School, Rajsamand | 2017-2018 |
| HSC with percentage 58% | |
| Shree Jee Public Sr. Sec. School, Nathdwara | 2015-2016 |
| SSC with percentage 86% | |

CORE COMPETENCIES

TOOLS

- ✓ Github
- ✓ VsCode
- ✓ Apache

SKILLS

- ✓ DSA in C++
- ✓ Frontend Development- HTML, CSS, Javascript
- ✓ CSS framework: Tailwind
- ✓ Cloud Computing- GCP, AWS
- ✓ OS: Linux, Windows

RELEVANT PROJECTS

Library Management System

Web Developer | 11 April, 2022 - 28 October, 2022

- Integrated data from different back-end services and databases
- Student and Teacher both can issue books and admin can manage all the books and user registered.

Crop Prediction

Web Developer, ML | 04 July, 2023 - 29 September, 2023

- Executed assignments with the use of web applications and ML model
- Created for farmers where ML model will predict the crop based on the location, soil type and weather.

ACHIEVEMENTS

- Awaiting the result of **SIH 2023**
- Participated in Hackathon organized by **GFG X Google cloud X AMD** in 2023
- Attended **AWS summit India 2023**.
- Participated in **Flipkart Grid 5.0 - Software Development track 2023**.
- Was invited to the **Creator's Event** organized by Meta 2023
- Participated in **Web development competition** in College in 2021
- Secured First position in **Science Exhibition** organized at School level 2012
